Joel and his wife host one of the two new groups with which we have the privilege of working... The desire of these people to study, learn and be better equipped to reach their own by making new disciples....is an incredible blessing to our Lord's work on the island.

New years celebration of various house churches. **Church which lost all of building.**

I just received word that my, first time ever, Cuban Religious Visa. It is approved by their government....Thank you for your prayers about this....

Am to leave the 2nd of March...so please keep praying that all will go well with this trip, including the being able to take in a lap top, and buy a printer there, so this group of leaders working with Joel and wife, will have ability to prepare and print more studies..

Thank you!!

I knew you couldn't wait to see the two pigs that were cooked on a spit for the New Year's celebration of what God is doing in Mayarí....
