“Plead with the Lord of the Harvest, that He may send workers into the harvest field.” Matthew 9:38

It is harvest time in Cuba...God is working, and has given us (you, my Cuban brothers and sisters and me) the privilege of being part of gathering in.

As I return to the island to work with my fellow harvesters this next week, we ask for you to pray for us, that I can get the training materials in, that we will be open to His leading, and that many more will catch the vision to reach those who don't know our Savior.

Armando and Jorge, right to left, and part of the team that God has brought together. I praise God for the privilege that we (you, these faithful ones, and myself) have to be considered worthy to be workers in His Harvest!!!
