MAKING DISCIPLERS WHO MAKE DISCIPLERS....

The heart of II Timothy 2:2 is not to make just disciples, but rather make **disciplers** who make more **disciplers**, trainers who make more trainers...thus multiplication not addition.

God is working in such powerful ways in this area... We were able to help train Francisco, who could then train one of his "Timothies" ... and real discipling takes place of the battle front. Here is a quick photo of Francisco, with his Timothy Daciel, working with Juan, Raul and families in a new area. The faithfulness and commitment so many of these great people is an inspiration and a motivation to keep on keeping on.

Raul, Elsa, Francisco and Juan in Cauto

In Marari 19 more baptized into Christ. What a joy to see **three different couples** come to accept Christ, and make commitments to be His disciples....ALONG WITH A NUMBER OF YOUNG PEOPLE COMMITTING TO CHRIST..... AND SOME SENIOR CITIZENS ALSO!!

HENRI ...AND JORGE, HANDS ON TRAINING, WHERE ALONG WITH THE 19 IMMERSED INTO CHRIST, THERE WERE ANOTHER 20 IN THREE OTHER PLACES!!

BUSY SUMMER - WEDDING OF NOEMI (Salvador and Celia's daughter to Hugo)

THE KIDS AT CAMP RAISED FUNDS FOR 8 BICYCLES FOR CHURCH PLANTERS IN CUBA, WHO ARE TRAVELING 8-11 MILES TO GET TO THE PLACES WHERE THEY WORK.

And to wrap things up, God's intervention in my life directly... arrived home on Thursday night, woke up Friday to a heart attack, which they resolved with angioplasty, and then the followup of a triple bypass heart surgery.. All is going great, by His grace and your prayers.
