**THE SAD NOTE:** *One of my dearest friends, faithful co-worker, and the "grandpa" of the Hillsboro Iglesia, **LUIS SERRANO**, left us to be with our Lord, this week. His deep love, pure faith, his gentle pastoral ministry, and his compassion for all was an incredible blessing to all. Oh how we, his family, and all of Gods' people here will miss him! Surely his works do continue on....*

Presentation of bicycles to 5 of their 10 church planters. Two of them were so thankful and energized that they went to a new place 14 miles away on their new transportation and started a new work! That in addition to the two that they were already ministering to.
