NEXT STEP? Making disciplemakers of the disciples.....

With all the new disciples of our Lord, the challenge now is to help equip them to not only make more disciples, but rather how to train them to make disciplemakers, so there is multiplication, and not just addition.

TEN NEW DISCIPLES OF OUR LORD, (ALONG WITH SOME OTHERS WHO JOINED US DOWN BY THE RIVER.)

AM TO LEAVE FOR THE ISLAND FEBRUARY 14—— PURPOSE OF THIS TRIP IS THREE FOLD——

1. Make arrangements to get RELIGIOUS VISA SO WE CAN COMPLETE PLANS FOR OUR TRAINING TIME IN MARCH.
2. Get the 300 new training manuals ready for our training.
3. Spend quality time with Armando and family as we pray, seek our Father's wisdom, and plan for the most effective way to continue the disciplemaking process, for the winning of new followers of Christ, and the establishment of new churches.
