

Harvest 2020 Elections of Elder and Executive Board Members

Ballots for nominees were due by Sunday, October 18, 2020. Members of Harvest Christian Church are given the chance to vote “no” on a nominee and provide a reason. Reasons should be based on an individual’s character and ability to serve in the nominated position of leadership and not the organizational structure of the different leadership boards.

The Executive Board serves a 3-year term and then may be re-elected for an additional term before taking a year off. The Elder Board serves a 3-year term before taking a year off.
